

## Hughes City Park

### Donation Sheet and paver order form

Project #1 for Hughes City Park will include shaping and forming a cement drainage through the park. A walking path along both sides of drainage ditch which will connect 2 bridges. Park benches and path lighting will be along both sides in addition to walking path. Commercial trash containers will also be placed in strategic areas. This will make the center of the park more attractive and will eliminate the up keep of the drainage ditch. A walking path will give residents a place for there daily walk. Donations are being accepted to facilitate the effort to completely upgrade all areas of the park.
